Dear Educator,

We hope that this letter finds you well and coping with the “distant learning” paradigm. We know how busy you are at this time, but we need your help with getting the attached information about the **Tinney Family Arts Scholarship** for \$2,000.00 to your serious Arts students who will be graduating in 2020 and who will continue their arts education after high school graduation.

Please note that the scholarship is available only to students who live in **Newport County** no matter where they attend high school or are homeschooled.

Attached is a cover letter for the applicant and the “guidelines” to apply for the scholarship. This scholarship is sponsored by the **Arts & Cultural Alliance of Newport County**.

Please forward the attached information to your serious graduating Senior Arts students.

If you have any concerns, questions, or if you would like the documents electronically, please send an e-mail to info@newportarts.org with “**Tinney Scholarship**” in the subject line.

Many thanks.

Artistically yours,

The Tinney Family Arts Scholarship Committee
